

Hi! I'm Karen Taylor, M.S., CCC-SLP, a Speech-Language Pathologist and Certified Autism Specialist with more than 30 years of experience working with children with diverse communication needs. Through Universal Speech Strategies, I create practical resources that help parents, teachers, and therapists support communication, language, and literacy skills in meaningful ways.

Welcome!

Build early vocabulary, core word vocabulary and reading skills with this interactive adapted book. Students read simple, repetitive sentences and match pictures while exploring colors and vehicles.

This resource supports early literacy, language development, and visual recognition, making it ideal for autism classrooms, special education, speech therapy sessions, preschool programs, and homeschool learning.

What's Included:

- Full-color adapted book
- Picture matching pieces for interactive learning
- Simple, repetitive sentence patterns
- Vehicle vocabulary
- Color vocabulary
- Comprehension questions at the end of the book

Skills Targeted:

- Vocabulary development
- Picture-to-word matching
- Color identification
- Reading comprehension
- Visual discrimination
- Early literacy skills

Perfect for transportation units, preschool, kindergarten, special education classrooms, speech therapy, and homeschool learning.

Assembly Directions

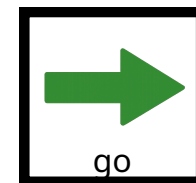

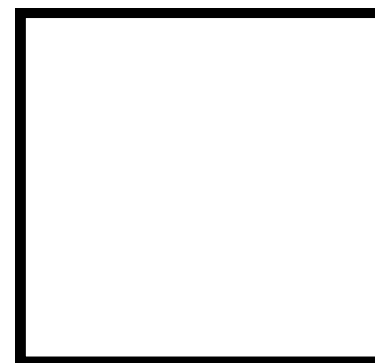

1. Print all pages on cardstock for durability.
2. Cut all pages in half, **except for the final page**. Leave the last page as a full sheet.
3. Cut out each individual picture symbol of the vehicles.
4. Laminate all book pages and picture symbols for long-lasting use.
5. Attach Velcro:
 - Place the hook side of the Velcro on each picture square on pages 1–8.
 - Place the loop side of the Velcro on the back of each picture symbol.
6. Assemble the book using binder rings, staples, or spiral binding.
7. Read, match, and enjoy learning together!

Tip: Store the picture symbols on the final page when not in use to keep all pieces organized.
